

CARWASH FMA-TUPLA

Product number **1002022020**

FMA-TUPLA is the washing concept for a good business location with many customers. As the name says, Tupla (Double) has two unmanned superior FMA-STANDARD washing machines. As to other concepts, these can also be complemented with high additional value options for increasing the average price of sold washes. Due to its extra machine, the FMA Tupla naturally handle double vehicle number - its yearly capacity is over 24 000 cars.

* Programs change according to the season.
