

### **MOBILE SLAUGHTERHOUSE MS30D.4**

Product number **1001063004**

Best solution for animal wellbeing: stress free slaughtering on the spot

Environmentally friendly solution: less transportation, emissions and waste

Ethical high quality meat is the choice of today and future

#### Technical information

Diesel generator 100 Kva (75 kW)

Fresh water tank 4500 l

Waste water tank 4500 l

CATTLE

30 cattle / day (8 h), live weight 700 kg

## Finmodules - Mobile slaughterhouse MS30d.4

Cooling as ½ -carcasses

EXTERNAL CONNECTIONS

Electricity 400 V, 50 Hz, 250 A

Fresh water DN 32 3 bar, 2"

Waste water DN75
